## President

*Claybrook Cottingham, B. A., M. A., LL. D.*

In this 1947 copy of Tech's yearbook, I am happy to extend greetings to all Techsters, here or elsewhere. In many respects, this book is the most complete record of the college's activities and personalities for the school year, 1946-47. You will treasure it more with every passing year. There will be contained in this book a pictorial record of the largest number of students ever to attend Louisiana Polytechnic Institute. My best wishes to you all now and throughout your lives.

A handwritten signature in cursive script, reading "Claybrook Cottingham". The signature is written in dark ink and is positioned below the typed text.

Winning four games in the Louisiana Intercollegiate Conference matches and losing one, the Louisiana Tech Bulldogs placed second in the L. I. C. race for 1946. Coach Joe Aillet's boys lost out to Southeastern who gathered in all five of their conference games and who also gave the Tech lads their only loss.

The season started out with the Canines losing to Mississippi Southern by one point. The final score stood at 7 to 6 in favor of the Yellowjackets.

The Louisiana Tech basketball team ended up the 1946-47 season in a three-way tie for the Louisiana Intercollegiate conference championship with Northwestern State college and Southwestern Louisiana Institute. The Bulldog cagers lost but one L. I. C. game and that was to Southwestern. Defeated by Tech, the Demon squad bested the S.L.I. team 60 to 54 to drop that group from

the unbeaten list. Had S.L.I. won the game they would have been declared champs. Tech kept the L.I.C. trophy that was awarded the previous year and will hold it until such a time that she loses the L.I.C. championship. For placing in the three-way tie, each team received a plaque declaring them as co-champions of the conference.

Back row—Pete Fields, R. C. Looney, J. T. Scott, Coach Cecil Crowley, Buddy Napper, Rudolph Smith, Harold Carroll.

The Techsters played over 20 games during the season averaging better than 50 points per game. Top score of the year was when they beat the Airmen of Barksdale field by making 94 points.

Overall scoring honors for the season went to R. C. Looney and Van Hicks who paced the Tech scoring. The team met some tough customers during the playing periods but usually managed to keep on top. Coach Cecil Crowley worked the boys into top condition for the seasonal games and prospects for the following season are excellent.
